

Cabin in Caroline

There's a cabin in the pine
In the hill of Caroline
And a blue-eyes girl is waiting there for me
I'll going back to stay
And from there I'll never stray
In a cabin in the hills of Caroline

Oh, the cabin in the shadow of the pines
And the blue-eyes girl down in Caroline
Someday she'll be my wife
And we'll live a happy life
In a cabin in the hills of Caroline

I'm packing my grip
For that long trip
Back to the hills of Caroline
I wanna see the blue-eyes girl
She's the sweetest in the world
And the cabin in the hills of Caroline

* Refrain

And when it's late in night
And the moon is shining bright
And whepporwhill is callin' from the hill
Then I'll tell her of my love
When we've in the stars above
And I love her now and I know I always will

* Refrain
