**Did she mention my name**

It's so nice to meet an old friend and pass the time of day  
And talk about the hometown a million miles away  
Is the ice still in the river are the old folks still teh same  
And by the way, did she mention my name

Did she mention my name just in passing  
And when the morning came do you remember if she dropped a name or two  
Is the hometeam still on fire do they still win all the games  
And by the way, did she mention my name

Is the landlord still the looser do his signs hang in the hall  
Are the young girl still as pretty in the city in the fall  
Does the laughter on their faces still put the sun to shame  
And by the way, did she mention my name

Did she mention my name just in passing  
And when the talk ran high did the look in her eye seem far away  
Is the old roof still leaking when the snow turns to rain  
And by the way, did she mention my name
