**Don't forget me little darling**

At my window sad and lonely  
Often do I think of you  
And I wonder little darling  
If you're thinking of me to

Don't forget me little darling  
When from you I'm far away  
But remember little darling  
We may meet again soemday

You may meet with fairer faces  
Some may tell you I'm not true  
Don't believe them little darling  
No one loves you as I do
