

Bluegrass Songs - Lyrics

Drifting with the tide

As my boat draws near the harbor
Knowing soon that you'll be mine
But if another has you darling
I'll go drifting with the tide

I have crossed the great wide ocean
I have waited for the time
But if another has you darling
I'll go drifting with tide

Along, long time has passed my darling
Since that night you made those vows
I know my heart would break with sorrow
If you should say it's over now

* Refrain

I'm in love with you my darling
And I'm praying you'll be mine
But if you change your mind my darling
I'll go drifting with tide

* Refrain
