End of memory lane

Down at the end of memory lane
There's many who have walked it in gladness
I was the one who walked it last
I walked it alone in sadness

I received a letter from my love
I opened it and this is what it said
I'm sorry if hurt you, but now it is too late
For another man my darliung I have wed

* Refrain

I remember her sweet little face
And her little freckled nose
With her golden hair hanging down her back
Tied with a big blue ribbon bow

* Refrain

We were pais and chums together there
I loved her with all my hwart and soul
But she married another without a thought or care
And she left me in this world alone and cold

* Refrain
