For loving me

That's what you get for loving me
That's what you get for loving me
Everything you had is gone
As you can see that's what you get for loving me

I ain't the kind to hang around
With any new love that I've found
Moving is my stock and trade
I'm moving on, I'll think of you when I'm gone

* Refrain

So don't shed a tear for me
I'm not the love you'd thought I'd be
Not a hungry boy like you
So don't be blue I'll have a thousand fore I'm through

* Refrain

There you go you're crying again
There you go you're crying again
Then someday when your poor heart is on the mend
I jist might pass this way again

* Refrain
