**He'll take you in**

Let not your heart be troubled for he will take you in  
His invitation stand forevermore  
He's right there where you let him to take you by the hand  
And lead you to that everlasting shore

He'll take you in  
He'll take you in and give you shelter from the storm  
He'll take you in  
He'll take you in and there your mortal life transform  
How can you be so down and out, you should jump right up and shout  
He'll take you in  
He'll take you in  
He'll take you in

Let not your soul be weary for he will strengthen you  
Even in the weakest times you'll find  
Him reaching out his arms to lift you up again  
You know he'll take you in every time

\* Refrain

You'll be walking on the water with your feet on hallowed ground  
If you have the faith to follow in his will  
You'll be one with the spirit the father and the son  
He'll deliver you sanctified and sealed

\* Refrain
