**Hey hey hey**

I saw you last night in my dream love  
I woke as the clock was striking four  
But I didn't think that I'd meet you  
And now as you walk through the door

Come set here with me little darling  
And allow me to say  
I love you sweet heart, I love you  
Hey hey hey hey

As you stood there before me I wondered  
If I'd every get you off my mind  
And the tears filled my eyes when you vanished  
With your golden curls that hung down behind

\* Refrain

Won't you come back to me in my dream love  
Some dark night when I'm here all alone  
Would you tell me sweet heart that you love me  
Some dark night when I'm here all alone

\* Refrain
