

**High on a hilltop**

High on a hilltop overlooking a city  
I can see the bright lights as they gleam  
And somewhere you're dancing in some dingy bar room  
And the lure of the g'fay life takes the place of our dream

High on a hilltop my heart cries, Oh Lord  
Forgive her she know not the way  
And give me the power to believe and some day  
High on a hilltop together we'll pray

I can vision a rounder with a life so smooth  
And a promise of riches for you  
But you see not the danger cause you're silly with booze  
And high on a hilltop I see a devil win you
