

Bluegrass Songs - Lyrics

How mountain girls can love

Get down boy, go back home
Back to the girl you love
Teat her right, never wrong
How mountain girls can love

Riding the night in the high cold winds
On the train of the old lonesome pine
Thinking of you, feeling so blue
Wondering why you left me behind

* Refrain

Remember the night me strolled down the lane
Our hearts were gay and happy then
You whispered to me as I hold your hand
You hoped the night would never end

* Refrain
