Hush little baby

Hush little baby, don't say a word
Mama gonna buy you a mocking bird
If that mocking bird don't sing
Mama gonna buy you a diamond ring
If that diamond ring turn brass
Mama gonna buy you a lookin' glass
If that lookin' glass get broke
Mama gonna buy you a billy goat
If that billy goat don't pull
Mama gonna buy you a cart and bull
If that cart and bull turn over
Mama gonna buy you a dog named Rover
If that dog named Rover don't bark
Mama gonna buy you a horse and cart
If that horse and cart fall down
You'll be sweetest little baby in town
