

**I don't know**

I don't know I love you so  
Until the day I left you go  
And then the tears began yo flow  
I'm sorry dear I didn't know

And darling if you forgive me  
And listen to my plea  
No matter where you are my dear  
I'll come begging on my knees  
I know we share a broken heart  
Because you loved me from the start  
Oh darling free my toroubred soul  
I'm sorry dear, I didn't know

I didn't care until the day  
But now you've gone so far away  
I realize I loved you so  
I'm sorry dear, I didn't know
