

**Bluegrass Songs - Lyrics**

**I know you're married but I love you still**

The day I met you my heart spoke to me  
It said to love you through eternity  
Not knowing that you were another's bride  
I vowed I'd always be close by your side

You know I love you and I always will  
I know you're married but I love you still

You broke a heart, dear, that would die for you  
I'd give the world, dear, to belong to you  
The game is over now, I know I've lost  
My broken heart will have to pay the cost

\* Refrain
