

Bluegrass Songs - Lyrics
www.traditionalmusic.co.uk

I saw your face in the moon

I saw your face in the moon, honey
You threw a smile at me
You pretended that you were happy
But in those lovin eyes I could see
You were having blue thoughts of bygones
Days you and I once knew
Blue I could see your smile
And it faded with the gloom
When I saw your face in the moon honey
When I saw your face in the moon
