If you're ever gonna love me

If you're ever gonna love me well, I wanna know it
There's just one way that you can show it
If you don't start treatin' me better, you see
I'm a-gonna do away with me

I'm gonna go down where the water is a little deep
I'm takin' no chance now you see
If you don't start treatin' me a little bit better
I'm a-gonna do away with me

* Refrain

Now, won't you tell me how you feel about it
You're runnin' me crazy can't you see
If you don't start treatin' me a little bit better
I'm a-gonna do away with me

* Refrain
