

Bluegrass Songs - Lyrics

I'm gonna settle down

Tonight I'm all alone, no place to call my own
Don't have no one to love me anymore
I'm gonna pack up my grip
And take a long, long trip
Back to the one that I love so

Oh I long to go back to my darling
Back to the one I love so well
I know she'll be my wife
When we settle down for life
'Cause she's the one that means the world to me

I can't forget the day I left and went away
You told me I'd be sorry some old day
I found it to be true
So I'm heading back to you
Sweetheart, I'm tired and want to settle down

* Refrain

When I get back to her my rambling days are o'er
We'll build a little cottage on the hill
We'll think of day's gone by
Sweetheart, just you and I
And there we'll live so happy ever more

* Refrain
