**I'm head over heels in love with you**

I think I'll go across the ocean  
If I don't change my notion  
I've just got to forget you if I can

Oh I'm feeling so blue  
That I don't know what to do  
For I'm head over heels in love with you

Everyday is sad and lonely  
While I'm thinking of you only  
Oh I just can't sleep when I lay down

\* Refrain

All the night are long and dreary  
All I do is sit and worry  
I just can't bear the thought of losing you

\* Refrain

Oh I'd like to be forgiven  
But this life ain't worth livin'  
If I have to sit and worry over you

\* Refrain

Oh I'm head over heels in love with you
