**I'm thinking about you**

I'm thinking about you and hoping you're true  
There long weary nights I'm going thru  
I'm never glad I'm talways sad  
Darling you know I'm thinking about you

Darling you know what we've been thru  
Darling you know we can't be untrue  
I'm doing my part I'm trusting your heart  
Sweetheart you know I'm thinking about you

When you were a littlw girl and I a little boy  
We promised our love to share and enjoy  
But the time has come when I'm far away  
Thinking about you both night and day

\* Refrain

I'll say my love you must do the same  
To make all our dreams we promise come true  
I'm doing my part, I'm trusting your heart  
Darling you know I'm thinking about you

\* Refrain
