**I'm using my Bible for a road map**

I'm using my Bible for a road map  
Then Commandments they tell me what to do  
The twelve disciples are my road signs  
And Jesus will take me safely through

There'll be no detours in heaven  
No rough roads along the way  
I'm using my Bible for a road map  
My last stop is heaven some sweet day

I'm using my Bible for a road map  
The children of Israel used it too  
They crossed the Red Sea of Destruction  
For God was there to see them through

\* Refrain
