**Its good bye and so long to you**

You can hang around and love you  
You can hang your head and cry  
Hang my picture on the wall but I won't fall  
Kiss me when your dreamin note that will do  
Its good bye and so long to you

You can send me pretty flowers  
You can send me valentines  
Send me letters every day but it won't pay  
Dream of my desire nothing else will do  
Its good bye and so long to you

You can give me your affection  
You can give me all your love  
Give me all the things I crave but I'll be brave  
All the things you offer make me sad and blue  
Its good bye and so long to you

You can call me your own darling  
You can call me what you may  
Call me on the telephone, I won't be home  
Keep your old love letter, I'm all though with you  
Its good bye and so long to you

Its good bye and so long to you
