

Bluegrass Songs - Lyrics

It's grand to have someone to love you

It's a grand to have someone to love you
Someone who knows your every care
Someone to cheer you when you're lonely
Just call for her and she'll be there

The kind of love that you can treasure
The kind of love that stands the test
It's grand to have someone to love you
Someone to hold you to their brest

It's grand to have someone to love you
Who thinks you're king upon her throne
Then she's the queen of all your treasures
Your castle is a happy home

* Refrain
