**Just because**

Just because you think you're so pretty  
Now just because you think you're so hot  
Just because you think you've got something  
That no other girl has got  
You caused me to spend all my money  
You laughed and called me old Santa Claus  
But I'm telling you honey I'm through with you because, just because

Just because you think you're so pretty  
Now just because you think you're so hot  
Just because you think you've got something  
That nobody else has got  
You caused me to spend all my money  
You laughed and called me old Santa Claus  
Well I'm telling you honey I'm through with you because, just because
