**Katy Daley**

Come on down the mountain, Katy Daley  
Come on down the mountain, Katy Daley  
Can't you hear us calling, Katy Daley  
We want to drink your good old mountain dew

With her old man she came from Tampararay  
In the pioneer days of '42  
Her old man was shot in Tombstone City  
For the making of his good old mountain dew

\* Refrain

Wake up and pay attention Katy Daley  
I am the judge that's gonna sentence you  
All the boys at court has drunk the whiskey  
And tell the truth, drink a little too

\* Refrain

So to the jail they took poor Katy Daley  
And very soon the gates were opened wide  
Angels came to court Katy Daley  
Too her far across the Great Divide

\* Refrain
