Live and let live

They tell me you're going away
What makes you want to leave
You gave me your love
You gave me your vow
And you're leaving me here to grieve

Live and let live, don't break my heart
Don't leave me here to cry
I never could live if we should part
Tell me you don't mean good-bye

Stayed awake last night and I walked the floor
What makes you treat me so
Live and let live, don't break my heart
I don't want to live if you go

* Refrain

You're the one who made me love you so
You're the one who's making my cry
You're the one who'd break me heart if you go
Tell me you don't mean good-bye

*Refrain
