

Lulu Walls

One evening getting dark we first met out in the park
Sitting by the fountain all alone
Oh I lifted up my hat, and then began to chat
She said she'd love to see me at her home

Such a star I've never seen she's as pretty as a queen
She is like an angel from the Golden Halls
If she'll only be my wife I'll live happy all my life
With that aggravating beauty Lulu Walls

If she were only mine I would build a hose so fine
Round it I'd have many fences tall
It would make me jealous free, that no one else but me
Could gaze upon that beauty Lulu Walls

* Refrain

One evening getting late, Oh I met her at the gate
Asked her if she'd wed me in the fall
Then she slowly turned away, and nothing would she say
That aggravating beauty Lule Walls

* Refrain
