**Lyin' eyes**

City girls just seem to find out early  
How to open doors with just a smile  
A rich old man and she won't have to worry  
She'll dress up all in lace, go in a style

Late at night, a big old house gets lonely  
I guess every form of refuge has its price  
And it breaks her heart to think her love is only  
Given to a man with hand as cold as ice

So she tells him she must go out for the evening  
To comfort an old friend who's feeling down  
But he knows where she's going as she's leavin'  
She is heased for the cheating side of the town

You can't hide your lyin' eyes  
And your smile is a thin disguise  
I though by now you'd realize  
There ain't no way to hide your lyin' eyes

On the other side of town a boy is waitin'  
With fiery eyes and dreams no one could steal  
She drives on through the night anticipatik'  
'Cause he makes her feel the way she used to feel

She rushes to his arms, they fall together  
She whisper that it's only for a while

She swears that soon she'll be coming back forever  
She goes away and leaves him with a smile

\* Refrain

She gets up and pours herself a strong one  
And stares out at the stars up in the sky  
Another night, it's gonna be a long one  
She draws the shade and hangs her head to cry

She wonders how it ever got this crazy  
She thinks about a boy, she knew in school  
Did she get tired or did she just get lazy  
She's so far gone, she feels just like a fool

My oh my, You sure know how to arrange things  
You set it up so well, so carefully  
Ain't it funny how you knew life didn't change things  
You're still the same old girl you used to be

\* Refrain

There ain't no way to hide your lyin' eyes  
Honey, you can't hide your lyin' eyes
