Nobody loves me

Nobody loves me, nobody cares
If life is empty and full of tears
I longed for true love, searched everywhere
Nobody loves me, nobody cares

Seaching for true love has been in vain
Two years my heart has suffered with pain
Lifes lonesome burden now I must bear
Nobody loves me, nobody cares

Nights on my pillow, I dream of love
though space I gaze at the stars above
They seem to whisper from way up there
Nobody loves you, nobody cares

A lonsome heart and a troubled mind
In this old world now is all find
I look to heaven for I know there
Someone will love, someone will care
