**Nobody's business**

Nobody's business, nobody's business, nobody's business what I do  
Nobody's business, nobody's business, nobody's business what I do

My gal drives a Cadillac, I walk the railroad track  
It's nobody's business what I do  
She drives a limousine, I buy the gasoline  
It's nobody's business what I do

\* Refrain

Earl says, boys let's leave a eight  
Flatt say, that's too late  
It's nobody's business what I do  
And we say, well what the heck  
But they're guys who sign the check  
So I guess it's their business what we do

\* Refrain
