

Bluegrass Songs - Lyrics

Our last good bye

Oh the nights are lonely here without you
All I see is grief and pain
For another love you treasure
All our hopes won't seem in vain

For I love you as no other
Tho' you're going far away
Will you ever think my darling
Of our last good bye today

I often dream of you my darling
You looked so sweet and smiled at me
And tho' another's arms may hold you
Those two blue eyes I longed to see

* Refrain

Now if you ever need me darling
Don't forget to drop a line
I'll always think of you my darling
Won't you think of me sometime

* Refrain
