Sing, sing, sing

In this world of sorrow I've seen troubles and woe
Way up there in glory, Lordy, I'll see no more
For I know my prayers have not been in vain
When I get to glory I'm gonna sing, sing, sing

When I get to glory I'm gonna sing, sing, sing
I'm gonna let the hallelujahs ring
I'm gonna praise my blessed Saviour's name
When I get to glory I'm gonna sing, sing, sing

Sometimes I get so weary inside
That I recall how my Jesus died
Up there I know there'll be no more pain
When I get to glory I'm gonna sing, sing, sing

* Refrain

Up there, no tears will blind my eyes
As I walk along by my Jesus's side
I'll meet my loved ones all once again
When I get to glory I'm gonna sing, sing, sing

* Refrain
