

**Some how tonight**

Some how tonight feel lonely my darling  
Some how tonight feel blue  
Some how tonight there tears of mine keep falling  
Come back aweetheart and be true

I thought you love was something I could treasure  
To brighten my pathway through the years  
All can see is darkness in the future  
That why I long to have you near

\* Refrain

I never knew what loneliness meant darling  
Until watched you walk away  
I long to hear you whisper that you love me  
I can't forget our happy days

\* Refrain
