**Sweet thing**

Sweet thing, I'm writing this letter to you  
Your name will be blotted with tears  
Please read it and answer, and tell me it's true  
Your love will remain through the years

Sweet thing, love you, you know that it's true  
Don't you remember that day  
As we grow older, I know you'll forget  
That's why I'm writing this way

I want to be loved but only by you  
That's why tonight I'm so sad  
I know that another has gained that reward  
A love that I wanted so bad
