Take it to the limit

All alone at end of the evening
And the bright lights have faded to blue
I was thinking bout a woman
Who might love
I never knew
You know I've always been a dreamer
(Spent my life running round)
And it's so hard to change
(Can't seem to settle down)
But the dreams I'm seen lately
Keep on turning out and burning out
And turning out the same

So put me on a highway
And show me a sight
And take it to the limit one more time

You can spend all your time making money
You can spend all your love making time
If all's gone to pieces tommorrow
Would you still be mine
And whe you're looking for your freedom
(Nobody seems to care)
And you can't find it the door
(Can't find it anywhere)
When there's nothing to believe in
Still you're coming back
You're running back
You're coming back for more

So put me on a highway
And show me a sight
And take it to the limit one more time

Tke it to the limit, take it to the limit

Take it to the limit one more time
