**Take me in your lifeboat**

Come brothers, sisters, don't fall asleep  
Pray night and day, or you'll sink in the deep  
Fathers and mothers are crying so loud  
Saying, Lord, won't you take us in your lifeboat

Take me in your lifeboat, take me in your lifeboat  
It will stand the raging storm  
Take me in your lifeboat, take me in your lifeboat  
It will bear my spirit home

The clouds are so heavy, the winds are so loud  
The thunder is falling, bursting in the clouds  
They pray to their shipmates for what they have done  
They took the dying sinners in the lifeboat
