**There ain't nobody gonna miss me when I'm gone**

For years and years I've roamed this wide world over  
Now my ramblin' and my roaming days are done  
For the only friend I've left is my old dog Rover  
There ain't nobody gonna miss me when I gone

There ain't gonna miss me when I gone  
There ain't gonna miss me when I gone  
So won't you write these words upon my tombstone  
There ain't nobody gonna miss me when I'm gone

Once I had a loving mother dear and daddy  
Now they're long since gone where angels dwell  
They've found eternal life way up in heaven  
Where I'll find my reward no one can tell

\* Refrain

I can't forget a little sweetheart I loved dearly  
We had planned the day when she would be my own  
But also another stole my darling from me  
There ain't nobody gonna miss me when I'm gone

\* Refrain
