

Bluegrass Songs - Lyrics

Troubles around my door

My troubles seem to never end
It seems I lose I never win
The nights are long walk the floor
Troubles keep hanging round my door

My troubles seem to never end
They go on forevermore
Although I'll smile and pretend
Troubles keep hanging round my door

What have I done your love is gone
But still I'm trying to hang on
You honkey tonk all over town
Troubles have really got me down
