

**Two lonely hearts**

I'm walking the floor with tears in my eyes  
I can't undersand dear why you ever lied  
The stars in the skies have tumbled below  
Now my heart is breaking it's beating so low

The moment you walked dear into my heart  
What a wonderful meeting for two lonely hearts  
You gove me your love to have and to hold  
But something has happened you took the wrong road

You said you would love and you would obey  
But the Golden Rule's broken so go on your way  
I've lost all the faith that I've had in you  
So go on away dear you could never be true
