

Walking down the line

Well I'm walking down the line
I'm walking down the line
I'm walking down the line
My feet about my trouble mind

I've got a heavy headed gal
I've got a heavy headed gal
I've got a heavy headed gal
She ain't a feeling well
When she's better only time well tell

* Refrain

My money comes and goes
My money comes and goes
My money comes and goes
And rolls and flows and rolls and flows
Through the holes in the pockets of my clothes

* Refrain

I see the morning light
I see the morning light
I see the morning light
Well it's not because I'm an early riser
I didn't go to sleep last night

* Refrain
