When the wagon was new

There's an old and rusty wagon that's left to rot away
It's one my family rode in back in the good old days
People loved their neighbors everybody was so free
And riding in a brand new wagon was something to see

I can still see my Daddy sitting on the wagon seat
Mom in her old sun bonnet, she looked so nice and neat
Kids were all in the wagon, Grandmam and Grandpa too
Oh we used to go to church on Sunday when the wagon was new

Red wheels were on the wagon and the body it was green
We were all so happy as riding in a limousine
People used to gather round through all the mountain side
Take a look at the brand new wagon and all take a ride

* Refrain

Well the automobiles are here now, the wagon days are through
Airplanes are a-humming, neighbors are so few
Everybody's in a hurry, it's money that takes you through
But we didn't need much money when the wagon was new

* Refrain

Yes, we used to go to church on Sunday, when the wagon was new
