You're no longer a sweetheart of mine

We are saying goodbye dear forever
I'm leaving your false love behind
Every promise you made has been broken
You're no longer a sweetheart of mine

Go back to the bar down the street dear
And stay with your honky tonk kind
Go back to the life you've been living
You're no longer a sweetheart of mine

I wanted someone true and faithful
And that is the way it had to be
You wanted your honky tonk life dear
You're no longer a sweetheart to me

* Refrain

From a bottom to a ride in the moonlight
And the arms of the first man you see
Another victim added to your list dear
You're no longer a sweetheart to me

* Refrain
