**You're still mine tonight**

Now meet me in the court room in the morning  
And you'll no longer be by my wife  
You'll be free to go with him tomorrow  
But remember you're still mine tonight

Go with him any place he wants to take you  
You can go and do the things you like  
But 'til then you're going to stay right here beside me  
Just remember you're still mine tonight

\* Refrain

And I'll see you for the last time in the morning  
And I'll watch you walk out of my life  
Tomorrow we'll say goodbye forever  
But remember you're still mine tonight

\* Refrain
