You've been that friend to me

My spark of life was spinning down the troubled seas of time
When first I saw your smiling face and youth was in its prime
Oh I'll never forget you wherever I roam wherever you may be
If ever I have had a friend you've been that friend to me

Misfortune nursed me as her child and loved me fondly too
I would have had a broken heart had it not have been for you
Oh I'll never forget you wherever I roam wherever you may be
If ever I have had a friend you've been that friend to me

I now look back upon the past across life's troubled sea
And smile to think thru all I've seen you've been a friend to me
Oh I'll never forget you wherever I roam wherever you may be
If ever I have had a friend you've been that friend to me

Oh I'll never forget you wherever I roam wherever you may be
If ever I have had a friend you've been that friend to me
