

Little By Little-lyrics

B.B. King, Lowell Fulson

Baby, out all night
Until the break of day
Snap me up in everything I say
Little by little
Only you know that I can see
Bit by bit
Your love is slipping away from me

What you're doing, baby
You know it ain't right
I wonder what you're doing
That takes all night
Little by little
Only you know that I can see
Bit by bit
Your love is slipping away from me

Get so disgusted
When I try to kiss you
I just don't feel
Like I used to do
Little by little
Only you know that I can see
Bit by bit
Your love is slipping away from me

Tried to trail you last night
Baby, in my car
But I'm scared I might see
What I'm looking for
Little by little
Only you know that I can see
Bit by bit
Your love is slipping away from me
