

A Matter Of Time
(Chris Hillman)

Well the farthest place
You think you can run to
won't be too far from me
And the longest distance
From here to the sun
won't be too long for me

Woah, oh, oh, I ain't taking no prisoners
Hearing no alibis
Woah, oh, oh, you can run from me, hide from me
You know it's just a matter of time

I'm no stranger
I'm no danger
I've been all around this world
I'm no friend to the lying lowdown
Who try and lay claim to my world

Woah, oh, oh, won't somebody tell her
She's been way out of line
Woah, oh, oh, you can run from me, hide from me
You know it's just a matter of time

I'm just the same old guy I used to be
No better no worse
I'm just the same old long lost lover
Trying to make things work

I'm no believer in things that deceive her
Leaving her broken and blind
I'll be around when it all goes down
You know it's just a matter of time

Woah, Oh, Oh, won't somebody tell her
She's been way out of line
Woah, oh, oh, you can run from me, hide from me
You know it's just a matter of time

Woah, Oh, Oh, won't somebody tell her
She's been way out of line
Woah, oh, oh, you can run from me, hide from me
You know it's just a matter of time
You know it's just a matter of time
