

Almost Grown
(Chuck Berry)

You know I'm doing all right in school
They ain't said I broke no rules
I ain't never been in love
I don't fool around too much
Don't bother us, leave us alone
Anyway, we're almost grown

Yeah
Party days
Party days
Party days
Party days
Whoa, whoa, whoa-oo
Party days
Gonna get myself another job
(Party days)
I don't hang around with any mob
(Party days)
Gonna get out of this God-damn town
(Party days)
Gonna get married and settle down
(Party days)
Don't bother us, leave us alone
(Whoa, whoa, whoa-oo)
Anyway, we're almost grown
Party days
Party days
Party days
Party days
Whoa, whoa, whoa-oo
Party days
