

Almost Saturday Night
(John Fogerty)

Outside my window, I can hear the radio
And you know that motor wagon is getting ready to fly
Cause it's almost Saturday night

Bye bye, tomorrow, Jody's gone to the rodeo
And you know some good old boys are getting ready to ride
Cause it's almost Saturday night

Gonna push the clouds away, let the music have it's way
Let it steal my heart away, and you know I'm-a-goin'

Outside the ringing, the night train is bringin' me home
When you hear that locomotion get ready to fly
Cause it's almost Saturday night

Gonna push the clouds away, let the music have it's way
Let it steal my heart away, and you know I'm-a-goin'

Outside the ringing, the night train is bringin' me home
When you hear that locomotion get ready to fly

Cause it's almost Saturday night
Outside the windows cause it's almost Saturday night
