

Another Side Of This Life
(Fred Neil)

Would you like to know a secret
Just between you and me
I don't know where I'm going next
Only know where I'm gonna be
That's another side of this life
I've been living
That's another side of this life
Well, my whole world's in an uproar
My whole world's upside down
I don't know where I'm going next
I guess I just keep bumming round
That's another side of this life
I've been living
That's another side of this life
Well, I don't know what I'm doing now I have time
I don't know where I go
Guess I'll get me a sailing boat
Sail the gulf of Mexico
That's another side of this life
I've been living
That's another side of this life
That's another side of this life
I've been living
That's another side of this life
