

As I Come Of Age
(Stephen Stills)

As I come of age
I keep fallin' down
And I feel just like a schoolboy
I was in a senseless rage
Runnin' too hard
And I tore you all to pieces
Yes, but it's all over now
And I'm a little bit older now
The lessons that I'm learnin' now
Gonna make it easy
Now then can I try
Starting over
Put the pieces back together
Even as I cry
Bitter tears
I can see it's all a puzzle a game
Always the same
Instrumental (Electric Guitar)
Yes, but it's all over now
And I'm a little bit older now
The lessons that I'm learnin' now
Gonna make it easy
By the time I die with the passing
If I've sorted out my changes
And if you could take the time
I would tell you
That it's still a puzzle the same
Always a game ooh!
