

Baby
Larry Burnett

Baby, I've been a lonely, lonely, lonely man
Left back fallen behind pushed aside
I realize that here's nothing
Farther away than you, ooh, ooh

Been awhile since you held me, held me, held me
Oh my, it's hard to forget but I'm taking bets
That you've been lonely too
The good it doesn't do, ooh, whoa

Ooh baby, I've been a lonely, lonely, lonely man
Left back fallen behind pushed aside
I realize that here's nothing
Farther away than you, ooh, whoa, ah
