

Blessing For Being
(Gram Parsons / Jim Lauderdale)

Sometimes I sit and wonder if
This is real and this is true
Livin' my one and only love
And live it all next to you

Everyday I pray
A blessing for being
'Cause livin' next to you
Is a blessing for being

Sometimes the light appears so dim
But when you're near I see again
And I have found my place on earth
Is next to you in the palm of your hand

Everyday I pray
A blessing for being
'Cause livin' next to you
Is a blessing for being

Everyday I pray
A blessing for being
'Cause livin' next to you
Is a blessing for

Everyday I pray
A blessing for being
'Cause livin' next to you
'Cause livin' next to you
Is a blessing for being
